

IACME-letter

A newsletter for IACME members

April 5, 2006

Save the Date – June IACME Educational Meeting Friday, June 23, 2006

Stonegate Conference Centre in Hoffman Estates

CME providers are continually challenged to meet the needs of medical professionals while keeping up to date with new guidelines and new technologies. At this meeting, learn about the updates to *AMA PRA Category 1 Credit™* and new guidelines for Internet Point of Care activities and how they impact the day to day work of providers. New to this meeting – attendees are asked to share a question or case to be answered by our panel for the last session of the day. Questions will be sent to panel members in advance.

Registration forms will be posted on the IACME website the week of April 17th.

IACME Executive Secretary Open Position

IACME's Executive Secretary, Nancy Bashook, is moving on to other opportunities, and has resigned from her position. IACME appreciates all of Nancy's hard work over the years and wishes her all the best in the future.

IACME is currently looking for someone to fill this position, which reports to the IACME president. Among other activities, this position receives and processes conference registrations, negotiates and communicates with meeting facilities, and receives and processes membership applications and dues payments. This position puts in approximately 100 hours per year. For details, visit our [local CME job listing](#).

Got pearls?

For those of us who were able to attend the recent national Alliance meeting in San Francisco, how about all of us working together to gather what we have learned - our "pearls" - with each other and with our colleagues who were unable to attend the meeting.

Just as last year, please send short (VERY SHORT - 1 or 2 sentences) descriptions of something you learned at the conference, that would be most helpful to Susan Adamowski at Adamowskis@alexian.net. Send in as many "pearls" as you like; Sue will compile them all. Each "pearl" submitted will enter your name into a drawing. The prize will be awarded at the spring meeting on Friday, June 23, 2006. (Mark your calendar now for that meeting if you haven't already done so!). All "pearls" collected will be distributed in printed form at the conference and available on the website after that.

Exhibits at IACME Educational Meetings – Needs Assessment

IACME is interested in looking at the possibility of having exhibitors at our educational meetings. Before we invite anyone, however, we'd like to make sure the types of exhibitors invited are of interest to IACME members. Some types of companies may include:

- Meeting Planning Services
- Mailing List Companies

“Education, Collaboration, Fellowship, Networking”

www.iacmeonline.org

- Convention and Visitor's Bureaus
- Resort Facilities
- Consulting Resources
- Web Cast Companies
- Publishing/Printing Companies

Please reply to this e-mail with the types of companies you would be interested in seeing exhibit at our future meetings.

Want to learn more about MOC?

Susan Adamowski, EdD has written an informative question and answer style article about Maintenance of Certification and CME. [View the article online](#) and consider sharing your own wisdom with IACME members!

Tell us what you think!

We hope you enjoyed this edition of the *IACME-letter*. The [IACME Communications Committee](#) appreciates your comments and feedback.
